The issuance of a Contractor Registration Certificate by the Township does not constitute an endorsement, approval, or certification of the contractor's qualifications, workmanship, or business practices. Registration is provided solely for the purpose of complying with Township requirements. The contractor remains responsible for complying with all applicable federal, state, county, and local laws, ordinances, codes, regulations, licensing requirements, and permit conditions. The Township assumes no responsibility or liability for any work performed by the contractor or for any damages, losses, or claims arising from such work. By submitting this application, the applicant certifies that all information provided is true and correct and acknowledges that registration may be suspended or revoked for providing false information, failure to maintain required insurance, or violation of applicable laws or ordinances. The applicant further understands that registration does not eliminate the requirement to obtain all necessary permits and inspections prior to commencing work where required.
